

## March 1, 2008 Newsletter

Hello to All! Due to special circumstances this newsletter is going to be slightly different than usual, I am cutting out the “to better the man” and replacing it with an invitation to formal, the pervious styled outline will be continued next month. Delta Phi is also sending out hard copies of the invitation, if you do not receive one in the mail that means we do not have your current living address, and we would appreciate you sending us your new contact info. With that aside I would like to announce that Delta Phi has taken one new member, pushing the Alpha Epsilon class to seven.

I would also like to extend special thanks to Barry Olson for his donation of \$60! Thank you Barry Delta Phi appreciates your generosity.

With that said, it is nearing the time once again for our annual Cycling for Independence. Any and all donations are greatly appreciated. If you have any questions concerning donations please feel free to contact me via email or telephone. My phone number is (616) 401-0533. If any of you are interested in riding along with us this year we would be more than happy to have you. As of right now Tom Coy, and Jimmy Byars from nationals will be riding along. If you have any questions about attending Bike Trip contact Tom Coy.
